Individual School Photos Are Ready Online

All our students looked so nice for school photo day on September 22nd! It was fun seeing them come to school dressed in their best clothes.

The photos are online and ready for viewing at [this link](#). To access the photos, you will need his or her student ID number, as printed on the part of the order packet you received in the take-home folder. If you did not receive the packet, or if you no longer have it, please contact us at info@ecolestlandry.org and we'll send it to you.

If you preordered photos they will be sent home in your child's take-home folder as soon as we receive them. If you wanted to wait to first see the photos, you may order online at any time. To order, just click on the heart at the top right corner of your child's photo, then go to "Buy Now" at the bottom right of the page. From there you will be able to choose your photo packets.

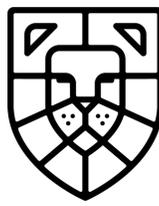

Monthly Newsletter

To avoid information overload, we will now be sending out the newsletter only once a month. This will allow us to include more photos from school and to better inform you of what we've been up to!

Madame Lindsay will continue to keep you up-to-date on the most important information via her daily announcements in Bloomz, so please be sure you are receiving notifications from the app.

Meanwhile, if we leave out any feature of the newsletter that you previously enjoyed, please let us know and we'll find a way to include it in the future.

Parent Survey Results

The success of our school depends on how many children we have enrolled, so your responses to our survey will help us to best choose our marketing style. Thank you for your replies!

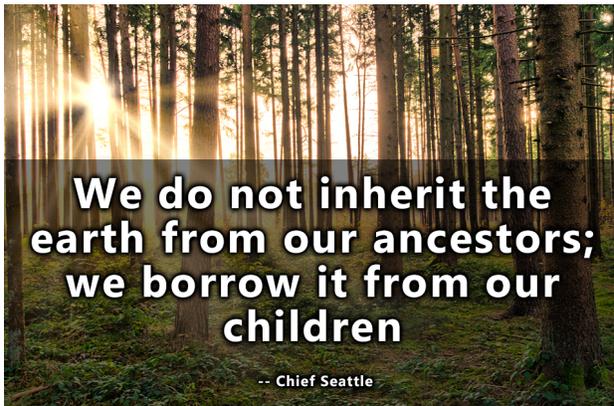

Reduce, Reuse, Recycle

We now have a recycling bin! You can drop off your paper, plastic, and aluminum here at school, in our bin, any day of the week. Why not bring your child along and explain the importance of recycling for our planet and our future?

Did you know? Recycling just one aluminum drink can saves enough energy to run a 55" HDTV long enough to watch your favorite movie.

Please help us to reduce waste by bringing us your paper, cans, tins, plastic bottles, milk cartons, etc.

Spirit Shirts Are On the Way!

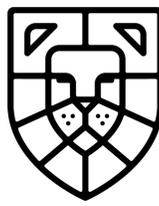

Due to factory delays beyond our control between the companies that make the t-shirts and the company that prints them, we only received half of our t-shirt order. We have decided to hold on to them here at school until we receive the others, hopefully by the end of next week, so students won't get jealous seeing only some children wearing them.

We also ordered a few extras for those who didn't have time to place their orders. Sizes are limited, but if you want one for yourself or your child, please call the school at 337-510-3022 to find out what's available and to reserve your t-shirt.

Many thanks to our parent and guardian volunteers who came to help us sort through the orders and organize the first batch of printed shirts.

Weekly COVID Testing

You can earn money for allowing your children to get tested for COVID at school. Your child must get tested at least 3 times in a month to be eligible, and you receive \$25 for the first test, then \$10 for each test after that. We will offer voluntary testing here at school for our students every Thursday at 9:00. Your child can not participate if not registered. If you wish to have your child tested weekly, please register here for students of École Saint-Landry. More information is available here.

Get Your Spidey-Senses Tingling

You can help your child learn to focus and be better at paying attention in class by practicing mindfulness.

Here is a fun exercise you can do at home with the whole family. You can adapt the materials to what you already have on hand at home.

Les mots doux de la semaine

"I made a new friend named Bryce and he sits next to me.
We learned the best song ever! I will show you when we get home, Mommy. You have to go fast like a rabbit then sloooooow like a turtle "

--Matthew Z. Jr.

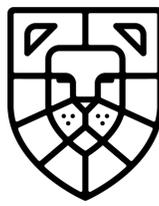

Share your child's feedback by sending an email to us at info@ecolestlandry.org.

Wash Your Hands

Some children still do not know how to properly wash their hands. Please help us by working with them at home to practice good hygiene for the health and safety of everyone at school, especially during this difficult time.

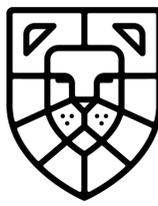

October 20th is Unity Day

October is National Bullying Prevention Month and around the world people will celebrate Unity Day on Wednesday, October 20th. Students may donate \$1 to wear an orange shirt or sweater to unite for kindness, acceptance, and inclusion to prevent students being bullied.

Our teachers all have special projects in store for Unity Day, but you can help at home by explaining what it means to bully someone and to be bullied. Children should know that they can talk to any member of our staff at any time if they feel intimidated by the behavior of a classmate or any other student or adult at the school. Some of you parents have already reached out to us about negative experiences your children have had with other students at school, and we will continue to deal with these issues swiftly and seriously to support the nationwide war on bullying.

Week 2's Lions

Name: Angeleah

Grade: K

Teacher: Mme Sandrine

Angeleah was chosen to be next week's Lion of the Week because she's respectful and doesn't talk out of turn, does her work, and is learning French really quickly.

What do you want to be when you grow up?

A chef

What is your favorite food or meal?

Cereal

What do you like to do at home?

Play with my baby brother

What is your favorite outfit?

My glittery unicorn dress

Name: Natalie

Grade: 1st

Teacher: Mme. Maggie

Natalie was chosen to be next week's Lion of the Week because she always listens to her teacher, doesn't talk out of turn, and is working hard in class.

What do you want to be when you grow up?

A veterinarian

What is your favorite food or meal?

Deer meat

What do you like to do at home?

Play with my sister and watch movies

What is your favorite song?

"Genie in a Bottle" by Dove Cameron

Week 3's Lions

Name: Nico

Grade: K

Teacher: M. Anthony

Nico was chosen to be this week's Lion of the Week because he works so hard in class to participate and learn. He is friendly and helpful.

What do you want to be when you grow up?

A dirt bike racer

What is your favorite food or meal?

Sausage with rice and gravy

What do you like to do at home?

Drive my dirt bike

What is your favorite outfit?

My shark shirt with jeans and my Hey Dude shoes.

Name: Jonathan

Grade: 1st

Teacher: Mme. Sylvie

Jonathan was chosen to be the Lion of the Week because he is learning French really quickly and is good at participating in class and doing his work.

What do you want to be when you grow up?

A policeman

What is your favorite food or meal?

Meat tacos or orange chicken with rice. I like to eat with chopsticks.

What do you like to do at home?

Play with my Popitz and my dogs

What is your favorite game?

Roblox

Community Open House

November 13th from 11:00 am to 2:00 pm

With the help of our PTO and our sponsors, École Saint-Landry will open its doors to the general public for a Community Open House. Weather permitting, there will be games for children and adults, a cooking demonstration, a food truck or two, a bake sale, a Trunk or Treat competition with fun prizes, a jam session, crafts, and many more ways to enjoy the day with us.

Our teachers and staff will be around to meet you and talk about what we do here, students will be showing off what they've learned, and parents can talk to each other about their experience with us so far.

Please contact us at info@ecolestlandry.org and the PTO at ecolestlandrypto@gmail.com if you would like to participate in the organization of this event or help run a table or game.
